Re: Size of Garbage Container, Hillside Township Ordinance
Ordinance 261-2 (Suitable Receptacles)

Dear Madam/Sir:

The garbage container at your home exceeds the maximum size of **30 gallons** that the Township of Hillside will pick up. Accordingly, you must purchase a container **no larger than 30 gallons** in order for your garbage to be collected. Containers larger than **30 gallons** are too heavy and our disposal vendor, will not collect them until you remedy this situation.

Thank you for your attention to this matter.

Respectfully,
Township of Hillside
Department of Public Works
