Registered Environmental Health Specialist, Part-time, Temporary – Township of Hillside, Union County

The Township of Hillside, located in Union County has an immediate opening for a temporary, part-time Registered Environmental Health Specialist (REHS) for up to 20 hours a week and weekend availability as needed. Hours are flexible. Under the direction of the Health Officer, the successful candidate will be responsible for conducting field inspections, nuisance complaints, lead investigations, and communicable disease investigations as needed. Experience with retail food, school cafeterias, and mobile food trucks inspections is preferred.

Applicants will possess a valid NJ driver's license, a valid REHS license, and excellent communication skills. Bilingual English/Spanish a plus.

Please send your resume to Robin Kaufman, Director of Public Health Services at rkaufman@hillsidenj.us
