**Registered Environmental Health Specialist – Full-time  
Township of Hillside, Union County**

The Township of Hillside, located in Union County, is seeking a full-time Registered Environmental Health Specialist (REHS) for Monday through Friday with occasional weekend availability as needed. Under the direction of the Health Officer, the successful candidate will be responsible for conducting field inspections, nuisance complaints, lead investigations, and communicable disease investigations as needed. Experience with retail food, school cafeterias, and mobile food trucks inspections is preferred.

Applicants will possess a valid NJ driver's license, a valid REHS license, and excellent communication skills. Bilingual English/Spanish a plus.

Please send your resume to Robin Kaufman, Director of Public Health Services at [rkaufman@hillsidenj.us](mailto:rkaufman@hillsidenj.us).
