## LET YOUR VOICE BE HEARD!!!

The Municipal Council has established a **Youth Advisory Committee**. (YAC)

The YAC is made up of youth in the community ranging from age **14 to 18**.

Topics for discussion and the issues to be tackled by the YAC include any issues that **affect the Township**.

The YAC will include a liaison from the **Council** and the **administration**.

You can become part of the YAC by signing up at the **Clerk's Office, 1409 Liberty Avenue** to complete the application or you can complete the application using the **QR CODE**.

Committee meets **every month** at a time to be determined by the committee.

The YAC is a terrific opportunity to gain **leadership skills** and to improve conditions and opportunities for young people. It may even be available to be used as **community service credits**.
